

5 Reasons You Should Be Using My HealthVet

1 Be empowered to control your health

You can update the status of your Personal Health Record 24/7, refill your VA prescriptions online, and e-journal, all on our award-winning, easy to use website.

2 Avoid duplicate tests and procedures

You can self enter results from diagnostic tests and procedures performed outside the VA health care system and share that information with your VA providers and you can update your Personal Health Record before each visit.

3 Move easily from doctor to doctor with the VA Blue Button

You can view, print, download or save your personal health information in your My HealthVet account. Sharing it with your health care team eases the transition from VA providers to non-VA providers.

4 Improve the efficiency and safety of your health care

You can update your personal health records and save valuable time, which may help prevent unwanted drug interactions and help you inform your provider or caregiver of your diagnoses and treatments.

5 Receive personalized information from your VA Electronic Health Record

You can get online VA Wellness Reminders, view VA Appointments, access VA Allergies and Adverse Reactions, get VA Chemistry/Hematology Test Results and use Secure Messaging with participating health care teams*
